## News from St. Nicholas Church

**Morning Prayers** 9.30-10am at St. Nicholas on Tuesday 6th, and 20th and at All Saints, Ulcombe on 13th and 27th.

**Bible Study** continues at Weirton Villa, Grafty Green, the home of Joan Drury on Thursdays from 10.30am - 12noon. For details contact Joan on 01622 853766

**Village Coffee Morning** will be in the Village Hall as usual from 10.30am - 12noon on Wednesday 14th. We look forward to homemade cakes and meeting friends. There is no charge, just join us!

**Harvest Supper** was a delightful occasion, with great company and delicious food. The hall looked so good with the autumn decorations and some of the lovely flower arrangements all ready for the church the following evening. Many thanks to the generous people who gave their time and talents to cooking, preparing, serving and decorating for this event. In recognition of the fact that we have so much to be thankful for in our harvest and in our lives, the proceeds of the raffle, £120, are being given to those who have little, or nothing, following the tsunami in Indonesia.

**Harvest Festival in St. Nicholas** was another occasion in the rural church calendar when we joyously give thanks to God for his amazing generosity to us, seen so abundantly all around at this time of year. The church was filled with the most beautiful autumnal flower arrangements, organised by Sandra and her team of helpers. It was fitting that this year the banners, prepared to remember the young men from here who died in the battles of the First World War, were displayed round the church.

The auction of donated produce, cakes and bread, fruit, nuts, vegetables and flowers was a fun event over coffee and refreshments. So much generosity of giving and buying! More than £250 was raised to go to two charities, Maidstone Christian Care and for aid to Indonesia.

**Remembrance Sunday Service** takes place at St. Nicholas on 11th November starting at 10.15am. Do look at the information elsewhere in the magazine of how we in this church, village and community can be involved in remembering those killed in conflict. The banners of the 14 men killed in WW1 will still be on show and there will be more information to learn about them as individuals.

**Craft Fair** on 25th November. We look forward to meeting lots of friends at this event and are hard at work preparing for the church stall. See you there!

**The ancient yew tree** in the churchyard has been trimmed and the fallen branch has been cut down, but now a lot of tidying-up will be required!

## **Ride and Stride 2018**

Saturday 8<sup>th</sup> September was Ride and Stride Day, bike ride or walk in which people all over England walk or cycle between churches, exploring and enjoying the countryside from Cornwall to Northumberland. In our area the event is organized by the Friends of Kent Churches. With this in mind we thought it would be a change if our son Neville began in East Sussex, and he started at the little church of St. Nicholas, right on the sea front at Pett Level.

From there a stop at St. Richards Winchelsea Beach, and then on to St. Thomas Winchelsea, where the famous comedian Spike Milligan is buried. Rye Harbour Holy Spirit came next and then into Rye itself visiting 4 Churches. His next stop was East Guilford St. Marys, Camber Sands St. Thomas before 3 visits in Lydd. Further onward to Old Romney St. Clement, St George Ivychurch ( where he took welcome light refreshment and rest ),continuing to St. Mary in the Marsh. New Romney for 3 visits before heading to St. Marys Bay All Saints and in Dymchurch 3 more. Burmarsh All Saints and Palmersh Holy Cross were next prior to a tour of Hythe taking in 5 churches. Trying to make good time along ride to Newchurch St. Peter and Paul, also Bilsington St. Peter and Paul the last one Kingsnorth St. Micheal and All Angels. A total of 35 visits over a journey covering 68 miles in ideal weather with just a little head wind thrown in.

For yours truly I elected to do a medley of some new some old. Commencing at Great Chart St. Mary I did a tour of all the churches in Ashford, Willesborough and South Ashford suburbs totalling 15 churches. It was now midday so I took a break for lunch while Angela proceeded to ride on to Shadoxhurst and Woodchurch for 3 visits. I caught up with her on the way to St. Michaels, in the support vehicle (which carried a spare bike) where I took over for calls at St. Michaels and Tenterden. Onward to

Ebony St. Mary the Virgin Reading St. this one I had missed on a previous ride. Angela then took over again to ride to Appledore for 2 more visits. I took over again at that point for a first visit to St.Mary the Virgin at Stone in Oxney, nice bit of incline exercise. It was my intention to carry on from there into Rye, Winchelsea and to finish at Pett Level, but After a time check I decided in favour of a return towards home via 'Kenardington, Warehorne and Hamstreet again a nice bit of hill work especially to St. Mary Kenardington. It was a perfect day for cycling which we both enjoyed having rode 52 miles visiting 35 churches. There is quite a marked difference between riding in cities and towns where you have to be extremely vigilant opposed to more relaxed feeling round country lanes and villages. Consequently slightly fewer church visits, but more mileage.

Owing to work commitments Jan and Chris Whyte were unable to ride until later in the day. The estimated amount raised will be in excess of £2,700

**Let us remember them together**

As this year marks 100 years since the end of the 1st World War we would like to invite our community to come together on the **11<sup>th</sup> of November at 10:15 at our Church of St Nicholas** to remember those who are missing from our community.

So many young lives were cut short; fathers, husbands, sons, brothers and friends of our village, their futures and descendants lost to us and to them. Please help us to remember them and give thanks for their lives and sacrifice.

**We would love you to come and share your photos, memories and stories of those who died and help us remember and pray for them and their families.** As this world did not remain at peace after 1918 we would like to extend our remembrance to all that have suffered and died in Wars since then. If you would like us to pray for family members and friends who suffered due to war even if they did not belong to this community please let us know and we will include them in our thoughts and prayers. Please contact Sally (01622 859549) or Vanessa (858372) with your photos and stories of loved ones.

## Grafty Gourmet

This is a mouth watering curry from north of India. Serve with rice or crusty bread. Although it has a few ingredients, the cooking process, as with all my recipes, is very straight forward.

### Kashmiri Lamb

- 4 dried red chillies
- 3 fresh green chillies
- 1 teaspoon cumin seeds
- 1 teaspoon Kashmiri garam masala
- 1 inch piece of root ginger, peeled and grated
- 5 cloves garlic, crushed
- 4 tablespoons desiccated coconut
- 3 tomatoes, chopped
- 6 tablespoons oil
- 2 large onions, sliced thinly
- 1kg (2 lb) lamb, washed, pat dry and cut into 1 1/2" pieces
- 1/2 pint plain yoghurt
- 1/2 teaspoon turmeric
- 1/2 teaspoon saffron
- 20 blanched almonds
- A handful chopped coriander
- salt to taste

1. Grind the red chillies, green chillies, cumin seeds, garam masala, ginger, garlic, grated coconut and tomatoes together into a smooth paste.

2. Heat the oil in a pan and fry the onions until golden.

3. Add the spice paste and fry it until the oil separates from the mixture. Now add the lamb pieces and the salt and cook until it is almost done. Stirring frequently. Add the yoghurt, turmeric, saffron and the blanched almonds and mix well.

4. Cook over low heat until the meat is tender and the gravy is thick. Garnish with chopped coriander leaves and serve.

There is a list circulating for you to add your name to if you wish to contribute a plate of food to bring to our December social.

Much planning is underway as committee members are currently discussing next seasons programme of events, and, if this is completed in time, details will be available for all to see at the November meeting.

Tip of the month - Lift and divide rhubarb crowns and winter-prune fruit trees. Lift and store dahlias and plant out spring bedding. Continue with winter digging. By planting tulips once other spring bulbs are in, there is a better chance of preventing them being infected with the fungal disease tulip fire. If you want hippeastrums (amaryllis) in flower for Christmas, start them into growth at the beginning of this month.

## **Highway Matters and Progress Report on Spending of the Quinn Donation.**

Since our last Quinn report published in the July 2018 edition of Malherbe Monthly the Parish Council can now report on progress towards dealing with speeding, the number of vehicles including HGV's passing through Grafty Green, and possible traffic calming measures, some of which would be funded from the Quinn donation.

The Parish Clerk and Cllr Annie Allum had a very constructive meeting on the 5<sup>th</sup> June in the village with KCC Highways Schemes project manager and a colleague to look at our options. KCC advised that a traffic survey should first be carried out and this was done from the 2<sup>nd</sup> – 9<sup>th</sup> July using a sensing cable across the road near the village shop.

The survey results were reviewed at a further meeting with KCC on the 26<sup>th</sup> September. The main points arising from the survey were:

- The village is not a speeding hot spot.
- Statistics do not indicate we have any crash hot spots, in fact quite the contrary.
- The mean speed recorded was low compared to many villages and within normal boundaries.
- Despite these statistics the traffic volume has increased by approximately a third since the last survey 4/5 years ago.
- As a result KCC would not support chicanes or any other traffic calming measures, even if we fund them, and we have had to drop such ideas.

On the positive side:

- KCC have agreed for the 30 mph repeaters on the road surface to be repainted, along with all white lines on the centre of the road through the village and either side of the single carriageway on Liverton Hill.
- KCC will explore and do costing for the option of new village entrance signs, white gates with village nameplates etc. and the "Please drive carefully through our village" reminder, along with red tarmac strips across the road with white 30mph signs painted on them.
- KCC will also support another flashing speed sign at the Liverton Hill end of the village and work on this is progressing.
- The Parish Council have agreed to try to trim trees to make the flashing sign at the Headcorn end of the village work better, and to look into moving it a few metres further into the village, thus avoiding foliage.
- We have also agreed to clean the 30mph and warning signs and trim back vegetation that obscures them. This work has already begun.

Proposals are at an early stage of development and subject to further discussion with KCC.

Further reports will be published in due course

## Village Hall News

[www.graftygreenvillagehall.co.uk](http://www.graftygreenvillagehall.co.uk)

With our summer fete behind us our thoughts turn to future events in the Village Hall - and there's lots to talk about!

First, on **Sunday 25<sup>th</sup> November**, it's our regular winter **craft fair**. If you've been before you'll know that it features the first-class work of local people offering hand-made food and non-food items at very reasonable prices. So, for a unique Christmas gift or just to stock up with home-made pickles, do come along.

Then, the following weekend, on **Saturday 1 December**, is our ever popular pre-Christmas **quiz night**. Tickets for this event are available from the Grafty Green Post Office Stores (thank you for this facility, Rob). If you can't get to the shop, you can also get tickets via me - but payment and collection is a bit trickier that way. The price (which includes our usual sumptuous ploughman's supper + mince pies and all the enjoyment you can consume) has been held again at just £8 per person. And there will be a licensed bar as usual.

Please help us to help you by getting your tickets early and completing the form at the shop as you buy them – this will enable us to know how many we are catering for and will ensure you sit with others in your team. There can be any number of people in a team, up to a maximum of 8, but teams of 4 or less may have to share a table.

Also available now from the village shop (thank you again, Rob) is the Boughton Malherbe **2019 Calendar**. All the photographs have been taken by local people, and many feature views of Grafty and the surrounding area. There's some super work there and it can be yours to hang on your wall for just £6.

Finally, I mentioned last month that we were looking to offer a **professional pantomime** at the Village Hall for the first time ever on **Thursday 27 December**. Well, it's definitely happening! We've booked an experienced touring group to put on a production of '**Robinson Crusoe**', a family friendly panto with all the usual singing, dancing, thigh-slapping and audience participation. Tickets (Adult £10, Child £5, Family 2+2 £25) are available from... you guessed it... Rob at the village shop. (What a great asset this shop is, you really should pop in more often). It's a **6 o'clock start** and there will be refreshments on sale, including a licensed bar for the big kids amongst you. We are advertising this event beyond the circulation area of this magazine and expecting a big crowd, so get your tickets early to avoid missing out. Again, contact me if you really can't get to the shop for your tickets.

## Friends of St Mary's Church, Lenham

### *The preservation of an ancient and beautiful building?*

Well if you didn't manage to get ticket for 5<sup>th</sup> annual village barn dance, on the 22<sup>nd</sup> September; you really did miss a great night out. Over 190 people attended the event and do si do'ed, twirled, skipped, and promenaded to the lyrical music of 'Whirling Skirmish'. Our thanks go to Valerie Woollven and John Arthur Boyd for allowing us to use, once again, the Tithe Barn and facilities. A most beautiful venue and an ideal place in which to hold our village barn dance. Many thanks to the Newsagents who supported the event by selling tickets for us.

The prizes donated for the raffle were our best yet. Thank you to all those who donated such lovely gifts: Bow Window Café, Chilston Park Hotel, Phase Hairdressers, Co-Op Lenham, The Village Stores, Margo McFarlane, Ann Henderson, Shepherd and Neame Brewery, The Square Fish Restaurant and The Trustees of the Friends. Grateful thanks also to the people who brought along prizes long on the night, we thank you. During the interval, John Arthur Boyd held a very lively auction which included: Fly Fishing for a family of 5, donated by David Chantler, Combine Harvester Ride for 2, donated by John Boyd Farms, 18 Holes Golf, donated by Roger James, An afternoon in a dairy parlour, donated by Peter Boyd, 30 minute flight, donated by John Lineham and a Dewalt set of power tools, donated by Chriss Parsons. Many thanks to all donors.

This event raised a grand total of over £2500, which will go towards projects to restore and refurbish our lovely village church. Without everyone attending our events and making such kind donations we would not be able to continue the much-needed work to our beautiful village building. The Friends of St Mary's very much appreciated continuing support. Thank you

## Christian Message November 2018

### Remember! Remember!

Are you good at remembering peoples' birthdays and anniversaries, appointments and social engagements, or even things that have to be done? I'm not as good as I used to be, if it doesn't go in my diary, the probability is that it will slip my mind. Maybe there is just too much for me to remember.

We have many resources these days to jog our memories. I still use my paper diary but we also have on-line and electronic calendars giving us daily reminders of coming events. We no longer have to rely on a knotted hankie or post-it notes dotted around the house. Or that's the theory. But we do forget!

However, of all months November seems to be a time for remembering. First there comes All Saints' Day followed by All Souls' Day – occasions that remind us of those who have gone before us in the faith. Then there is Guy Fawkes Night, not a Christian festival but a reminder of a plot against Parliament and the religious tensions of the time.

Then comes Remembrance Sunday when we recall the sacrifice of so many in 2 world wars and other conflicts. This is particularly poignant as we mark 100 years since the end of World War 1. So much to remember, so much to learn from, so much that calls us to build for the future in the light of the past.

But there's still plenty of room for forgetfulness. Do we make time to remember God's faithfulness across the ages. Many worship him on a Sunday but how many forget during the week and live as if he isn't there? We might marvel occasionally at his blessings and we're quick to ask for his help in times of trouble. Then we forget once the crisis is past.

For the Christian remembrance has a special place. **Do this in memory of me (1 Corinthians 11:24)**

These words of Jesus are said every time we take the sacrament of bread and wine at Holy Communion and remember that Jesus gave his body and blood for our sake. A reminder that our faith is not based on wishful thinking but is rooted in history, in what God has done through Jesus.

I encourage you to remember Jesus not just on special days but every day

***Gracious God you always remember me. Teach me to remember you. Amen.***
