News from St. Nicholas Church

We hope everyone had a very Happy Christmas and enjoyed the Christmas tree and its festive lights outside the church, showing the light and hope of the 'soon-to-be-born' Christ-child far and wide over the quiet countryside and the very pretty Christmas tree, nativity scene and decorations in the porch.

The Porch continues to be open for private prayer and quiet reflection, as always in these difficult times. It can be a haven after a walk up from the village or along the many footpaths around the area.

Morning Prayer is said daily, on-line, in the parish at 9.30am. Please contact Rev.Anne Price on 01622 924963 or revanne@lvb.org.uk, if you would like to join in any day. If you have prayer requests please contact Rev.John Huggins, Rev.Anne Price, or the churchwardens at any time and prayers will be said in Morning Prayer time.

Services cannot take place in our churches at the moment, or even outside, under these strongest restrictions. We will post any positive changes as soon as we know.

Other Services. Do contact the Church Office for information about other, regular, on-line events including Prayer Times and Services throughout the Benefice, which will be continuing for the foreseeable future. Also, for information about how to access them, by phone, email etc.

The Church of England has links to Regular Sunday services on their website and information about how to access services by phone.

Christmas services were prepared in the Benefice and have been available on-line, including a Midnight Service for Christmas Eve, recorded in St.Nicholas Church and an All-Age Service for Christmas Day.

Advent. Each Tuesday evening through Advent we had enjoyed a service of Compline on-line at 9pm. A perfect end to the day.

Covid-19 Vaccinations are already underway locally for those 'at risk'. We are very grateful for the enormous efforts of the scientists and the administering staff for this.

Eco-spot. As expected we have enjoyed the sweet chestnuts, picked in the Autumn bonanza and used in stuffing's and desserts. The Sloe gin is about to be sampled! The overwintering birds in the seed-rich meadows here are a thrill to watch and the Tawny Owls are as noisy as ever. Delighted to see so many locally produced foods and gifts around and parcels delivered in bio-degradable packaging, lots of hand decorated brown paper and string (mostly refolded and rewound for next year, in this house!)

We wish everyone a very Happy and Safe New Year

Yoga and Health

Practicing yoga has many benefits. It is famous for keeping you flexible which is achieved by working gently and consistently to lengthen muscles that have become tight.

When you move your body, it enables fluids to exchange and refresh, for example synovial fluids in your joints that keep the surfaces smooth, more slippery than ice on ice. Another example is the work that your lymph nodes do (over 600 of them in your body). These are in your elbows, armpits, chest, behind your ears, back of your head, pelvis and behind your knees; movement is essential for the lymphatic system to perform efficiently as part of your immune system; lack of movement will cause them to become congested so exercising now is more important.

Not only will exercise improve your overall health but it also mitigates the negative effects of stress; Yoga (which has been around for over 3000 years) recognised the importance of a healthy mind as well as a healthy body and developed different ways of being mindful. The simplest is to take a few minutes to sit and watch yourself breathing and noticing any pleasant feelings; a positive and uplifting mind will also help keep your immunity buoyant.

I am continuing to teach yoga via zoom which has been appreciated by quite a number of folk; if you would like to join me I would be more than happy to have a chat and include you. My contact details are:- graftyyoga@gmail.com or phone 07803 962339

Sue Burch's Nature Notes – Small Mammals

Harvest Mice – are currently on the 'Red List' which means it is 'near threatened'. The habitat that it occupies is arable land, grassland, road-side verges, hedgerows and reed beds. The tall vegetation of long grass is where they build their nests of woven grass, at least 30 cm above ground.

They have prehensile tails that are as long as their bodies (5-7cm long) and they weigh between 4-6 grams. Eating mainly at dawn or dusk they will consume a mixture of seeds, berries and insects.

Because we live in such a rural area it is possible that if you leave a corner of your garden to allow the grass to grow tall you could be rewarded by just seeing their little woven nests. If you happen to spot one - they have blunt noses and hairy ears and their coat is sandy brown with a white underside.

Dormice – a few facts I have learnt recently. Dormice not only eat hazel nuts but also flowers of the oak, hawthorn, sycamore, willow honeysuckle and bramble. Caterpillars, aphids and wasp galls are part of their diet too but they need the nuts and blackberries to put on weight for hibernation.

Also, their feet have little suckers on them to aid climbing and their ankles allow the feet to face up or down depending on which direction they are climbing; squirrels have this feature too.

Recording the wildlife that visit your garden is an added interest but you can also send your sightings to The Kent Biological Records Centre by using their easy-to-use app 'irecord'. This enables them to create a more accurate biodiversity map of Kent.

Parish Council Vacancy

Following the resignation of John Collins and the expiry of the notice period for an election request, the Parish Council wishes to co-opt a volunteer to fill this vacancy. Please note that the co-option will last until the next scheduled Parish Council elections in May 2021. This is, therefore, a short-term appointment. However, as the council is hoping to commence the traffic calming scheme in this period, it is considered important to have a full complement of councillors to assist with this challenging process.

If you are interested in volunteering for this role please email the Clerk at **boughtonmalherbepc@gmail.com** to express your interest.

Thanks

Editorial

The Parish Council are holding an Extraordinary Meeting on 11th January 2021 to discuss the Traffic Calming Scheme in the light of recent comments sent to the council. In their deliberations they should take reference to the following points:

1. Does the Parish Council believe this scheme will be effective in slowing down the traffic given all the comments and discussions they have held with Kent County Council and the Highways Authority?
2. In light of point 1 does the Parish Council believe this is a prudent way of spending a large sum of public money and if so does it believe it has control of how the money will be spent now and in the future given it has no idea what the maintenance of this scheme will be.

Boughton Malherbe Parish Council

www.boughtonmalherbe.co.uk

Minutes of the Extraordinary Parish Council on Thursday 17th December 2020, 7.30pm held by teleconference

Present: Cllrs R Galton (Chair); R Turner; B Adams; N.Eastwood
Clerk Mr Chris Hume

Two members of public

Cllr Galton opened meeting at 7.30pm

1. **Anybody filming or recording this meeting to declare it.** - none
2. **Apologies** – no apologies for absence received
3. **Declarations:**
 - Any lobbying** – none declared
 - Any interest in items on the Agenda** – none declared
 - Any changes to the register of pecuniary interests** - none declared
4. **Public Session** - A letter from Mike Hitchins was presented. Mike then made a further contribution which will be circulated to Councillors after the meeting and included in the public record of comments received on traffic calming.
5. **Traffic Calming**
 - (i) Received and noted a report from the Council's Independent Internal Auditor regarding the decision taken on the 14th September 2020
 - (ii) Received and noted a report from the Clerk regarding comments from residents following a request in the November edition of Malherbe Monthly on the cost of the scheme
 - (iii) Received a note from the Clerk of a meeting with KCC Highways held on the 20th November 2020
 - (v) It was agreed to defer further decisions on the traffic calming scheme until January to enable Councillors to carefully consider the comments received from the public. It was further decided to ask KCC whether the road surface would remain level with the granite setts if re-laid. Clerk to ask KCC if we can share a SID scheme with a neighbouring parish. It was resolved that each councillor will send the Clerk their view on the issues that need to be decided at the next Extraordinary meeting and the Clerk to then send round a draft agenda.
 - (vii) It was decided not to pursue the KCC offer to produce posts and stickers
6. **Maidstone Local Plan review** – It was agreed that the council will respond by endorsing the KALC and SOHL responses and comment that (i) the section on the Heathlands Garden Village does not refer to the traffic impact on Grafty Green and (ii) that the draft plan does not identify the need for additional Gypsy and Traveller sites to relieve the pressure on our area. Cllr Galton agreed to draft a response.
7. **Councillors vacancy** – Clerk to advertise the vacancy with a view to choosing a co-optee at the January 25th 2021 meeting
8. **Further Information** – Extraordinary meeting to be held on the 4th January. Clerk to establish by which date the budget must be set by the council

The meeting closed at 8.58pm

Grafty Green Gardening Club - update

We regret that current regulations necessarily mean that we will not be able to hold a meeting in the village hall in January but look out for Kevin Tooher later in the year, we are exploring the zoom meeting option with our February speaker in case our status remains the same and will keep you all informed about that in a newsletter nearer the time.

In our gardens: - Well, an explosion of holly berries indeed berries of every sort have tempted in the Redwings from Scandinavia who are busy competing with the local blackbirds for this bumper crop.

Winter gardening is fun if it is not too wet! Winter digging will be a benefit on heavy soils to allow the frosts to break down the soil before

Spring arrives. Pruning of all woody ornamental plants as well as fruit trees, bushes, and vines can be completed and shredded if you have such a facility to provide a good mulch for the garden. It is also a last chance time to protect your plants and pots from frost damage by bringing them in or giving them a cover of some sort.

If you would like to join the Gardening Club and benefit from the discounts at two local Garden Centres please post a subscription of £5.00 to our Treasurer Doreen Hulm, Lavender Cottage, Grafty Green.

Wishing you all a Happy and hopefully a more open New Year in 2021.

Carole Frost - Secretary - Grafty Green Gardening Club.

**PUBLIC
CONSULTATION
EXTENDED**

Public consultation on the Council's Local Plan Review finished last Tuesday 22 December. On Wednesday 23rd December, Maidstone Borough Council (MBC) announced that it was reopening and extending the consultation through until Friday 8th January due to 'the potential impacts of Covid-19 for individuals and organisations to respond'.

Whilst we welcome the additional time for residents to respond, we do question why MBC waited until the three weeks had passed before announcing an extension. SOHL along with others lobbied councillors in November telling them that the three-week consultation window was

too short for an effective consultation but were rebuffed, being told that it was essential in order to keep to the Local Plan Review timetable. We wonder what's changed? They knew about the impacts of Covid-19 in November and we were already in Tier 3 by the consultation start date. Perhaps the responses they received from the statutory consultees like Kent County Council, Highways England, Natural England and Southern Water weren't too their liking or simply haven't been given enough time to respond, as we suggested?

This does however mean that if you didn't quite get time before Christmas to get your response in, you still have another 10 days to submit your objection.

We've created a handy email template for you to make it easier and quicker to send an email objecting to the consultation. Simply click this link, complete your name and address as well as your own personal reasons for objecting to the proposal and then hit send. It shouldn't take longer than 5 minutes.

On our website, we have put all the information together you need to respond, including handy tips and key topics for you to consider in your response.

Please make sure everyone that you know locally including neighbours, family and friends have also responded. And also remember, all adults in a household can respond.

We've been copied into 500 objections to date which has been a great response from the community. But every objection counts so do send one in before Friday 8th January at 5pm if you can.

Happy New Year from SOHL!

Grafty Gourmet

Moist, soft and fruity, this clementine cake is both gluten and dairy-free. It makes a moreish pudding or tea-time treat. Great served with chocolate sauce.

Sticky Gluten Free Clementine Cake

5 clementine's	1 teaspoon of gluten free baking powder
Vegetable oil for greasing	2 teaspoon of vanilla extract
275g of caster sugar	6 large free-range eggs, lightly beaten
300g of ground almonds	Juice of 1 lemon
Seeds from 8-10 green cardamom pods, ground to a powder	1 cinnamon stick

1. Put 3 of the clementine's in a pan of water, bring to the boil and simmer for about 2 hours until really tender, adding more water if necessary. Drain and leave to cool a little. Cut in half and pick out any pips, then whizz the fruit (skin and flesh) to a pulp in a food processor.
2. Preheat the oven to 180°C (fan160°C). Grease a 23cm springform cake tin, then line the base with baking paper.
3. Put 225g of the caster sugar, the ground almonds, ground cardamom and baking powder in a large bowl. Stir, then make a well in the centre. Mix the pulped clementine's, vanilla extract and eggs in the well, then mix into the dry ingredients. Pour the mixture into the tin. Transfer to the oven and bake for 50-60 minutes.
4. Meanwhile, squeeze the juice from the remaining 2 clementine's into a pan. Add the lemon juice and the remaining 50g caster sugar. Heat gently until the sugar is dissolved, then add the cinnamon stick and simmer for 3 minutes.
5. Remove the cake from the oven and pierce the top in a few places with a skewer. Drizzle over the citrus syrup, then leave for 1 hour to soak in. Transfer the cake to a wire rack to cool completely.

Music Notes for January 2021

My regular readers will know that I often complain about the problems of writing information about local concerts some 2 months ahead, to take account of magazine deadlines. This time I write as all of Kent is just emerging from lockdown into a tier 3 situation which prevents any musicians rehearsing together indoors and prevents congregations singing together in churches. It is true that vaccination is on its way – approvals have been announced – but I cannot see this having an effect on the music scene in January. I hope I am wrong; perhaps you will read this in January and laugh at the pessimism of my forecasting? So instead of forecasting I will look to the past.

There are some significant musical anniversaries that will take place in January 2021 including:

23 January 1921 (100 years) death of Mykola Dmytrovych Leontovych

27 January 1901, (120 years) death in Milan of Giuseppe Verdi.

31st January 1921 (100 years) birth of Born Alfredo Arnold Cocozza (known as Mario Lanza) in Philadelphia,

On the assumption that Leontovych is the least known of these three, I will add (with acknowledgement to Wikipedia) that he was born and raised in the Podolia province of the Russian Empire (now in Ukraine). He was educated as a priest and later furthered his musical education at the Saint Petersburg Court Capella and private lessons with Boleslav Yavorsky. With the independence of the Ukrainian state in the 1917 revolution, Leontovych moved to Kyiv where he worked at the Kyiv Conservatory and the Mykola Lysenko Institute of Music and Drama. He is recognised for composing Shchedryk in 1904 (which premiered in 1916), known to the English-speaking world as Carol of the Bells or Ring, Christmas Bells. He is known as a martyr in the Eastern Orthodox Ukrainian Church, where he is also remembered for his liturgy, the first liturgy composed in the vernacular, specifically in the modern Ukrainian language. He was assassinated by a Soviet agent in 1921.

Subject only to complaints received I will continue this theme of “anniversaries” in my music notes until such time as local concerts resume!

Christian Message January 2021

In November 1938 about 30,000 German Jewish men were taken to concentration camps where they were tortured, starved and put to death.

Aware of what was happening a group of English Jews asked the British Government for permission to set up a transit camp at a disused site in Sandwich to house 4,000 of these men. Approval was given and the group which raised funds for the operation arranged for the camp to be made ready for occupation.

Sandwich may not have seemed the ideal refuge for foreigners. At the time there was a branch of the British Union of Fascists in the town and Oswald Mosley was a regular visitor.

How would the residents of Sandwich respond to this invasion which actually doubled the size of the town? The answer is that there was a warm reception. Local people were friendly and welcomed the refugees to their homes. Once settled in the men worked on the buildings and then occupied themselves putting on concerts and theatricals which were attended by many Sandwich residents. Local events were patronised by the refugees who took part in Ramsgate carnival. The Archbishop of Canterbury visited the camp.

Jesus parable of the Good Samaritan is well known (Luke 10: 25-27) and over the years the phrase 'a good Samaritan' has become part of our language. The first person to hear Jesus' story was an expert in the Jewish law. One day he had a question for Jesus: **What must I do to inherit eternal life?** Jesus responded with a question of his own, **what does the law say?** The man replied, **Love the Lord your God with all your heart and your neighbour as yourself.** 10 marks out of 10. End of discussion. Oh no! This man wanted more. **But who is my neighbour?**

To answer the man's question Jesus told a story about an injured man in the road who was ignored by two respectable religious men. Eventually a foreigner, a Samaritan, came along, tended his wounds, took him to a safe place and arranged for his care. Now it was Jesus turn to ask a question. **Which of the three passers-by was neighbour to the injured man?** We all know the answer!

England is still described as a Christian country All who describe themselves as Christians are commanded to behave in the way taught by Jesus in his parable. Believers in Christ are commanded to love God and their neighbour. Indeed, there are many Christians in our country behaving in such a way.

But, and there's always a BUT, all around us are remarks about our neighbours who are a different colour, speak a different language, have different customs from us or have come to our country, often by dangerous means, because they had been ill treated in their own as the Jews who came to Sandwich had been. They are DIFFERENT FROM US. But are they really so different? Think again.

Turn now to the story of creation in the first chapter of the Bible. In verse 26 God said "Let us make men in our own image" and the summing up in verse 27: **So, God created man in his own image, in the image of God he created him ; male and female he created them.** Not different. The same.

So, we look back and thank God for the example of those who helped fellow human beings to safety and for the people of Sandwich who welcomed them.
